_____)

Rodeo stock general guidelines have been developed to highlight certain rules / expectations.

- Stock contractor will abide by the NHSRA (National High School Rodeo Association) rulebook.
- A copy of NHSRA rulebook can be found online and / or copy can be obtained thru PHSRA secretary
- All stock need to be individually tagged or branded with identification number, list of number will be provided to PHSRA before the rodeo begins
- Stock contractor must have proof of insurance prior to the start of rodeo
- Stock contractor provides all labor for the care of the animals, all feed / hay needed, trucking of animals, and sorting of the stock needed the rodeo event
- All animal stock for each event should be appropriate stock for the type of PHSRA / PJHSRA / Cinch rodeo
- All animal stock for each event should be uniform in size and breed
- Per NHSRA rules, no pigmy goats will be allowed
- Weight of animals for roping events should be: breakaway (180 – 350 pounds), Tie down roping (180 – 250 pounds, but prefer under 220 pounds), Goats (40 – 60 pounds), Steer wrestling (450 – 550 pound)
- Steer wrestling stock need to be bull dogged and thrown down before, no broken horns or sharp horn tips, not used previously for team rope or cutting events.
- No bulls allowed for steer wrestling or team roping.
- Breakaway roping stock must have less than 2 inches horn length
- Tie down and Ribbon roping cattle should be without horns
- All roping cattle should have been roped / properly prepared for the events prior to the rodeo
- Bull riding bulls horns must be tipped and at least a size of a quarter
- Health of the animals is important to us so animals that are ill / have visible illness will not be allowed
- Stock contractor should bring 2 extra animals per event
- All stock bid will be chosen at the discretion of the PHSRA
- PHSRA has the right to determine if any stock animal is not appropriate for the rodeo
- PHSRA will not pay for stock if event is canceled.
- PHSRA has the right to examine the stock one week prior to schedule rodeo date
